# Services Offered

## • Freight Forwarding / Sea Freight

With the large volumes it handles, VASPL is also able to offer to customers extremely competitive freight rates across multiple locations. We offer 24 hour services which includes all pre-shipment and post shipment formalities, custom clearance of containerized, bulk, break-bulk and Project cargo.

## • Custom Clearance

We offer unparalleled Custom Broking Services which include Import customs Clearance & Export customs clearance.

## • Warehousing

Strategically located the Warehousing facility is at a distance of only 17 kms from Kandla port & 70 kms from Mundra port, some of the busiest ports on West Coast India. Additionally backed by state-of-the-art facilities, excellent infrastructure & the experience to recognize & provide profitably viable solutions to specific customer requirements.

## • Bulk / Break Bulk

We are able to negotiate space on conventional vessels for break bulk, dramatically reducing costs whilst providing reliable cargo transportation. We ensure daily monitoring of vessel / weather conditions etc., till the vessel reaches the respective port ( load / discharge .) Once in port we ensure vessel handling agents are aggressively handling the shipments so that maximum productivity is achieved at the fastest turnaround & most economical cost(s).

## • Chartering

Being at the forefront as a main service provider for impeccable Vessel Chartering Services from Indian Ports, our services is the most sought after in the market due to safe and timely delivery of the consignments regularly. We offer this service for any type of cargo, dry cargo, liquid cargo to the various destinations across the world. Our team of experts ensure proper coordination with the clients and operate as per their schedule giving the full assurance of safe dispatch of cargo.

## • Surface Transportation & Multimodal Transportation

VASPL offers a fleet of modern & well-maintained trucks leading to reduced fuel consumptions. 24x7 live real time vehicle tracking & GPS phone in the truck. VASPL is a registered Multi Modal Transport Operator licensed by Government of India - Ministry Of Shipping

## • Liner Agency

Our dual role of maximising service to the Consignor and Consignee, whilst providing first class representation to the shipping line, is a challenge we meet with ease & enthusiasm. Our Principals are provided with a fully integrated operational and documentary system based on high tech communications and IT technology. Including up-to date analysis of traffic flows, cargo volumes, market intelligence as well as full inventory control of equipment.

## • NVOCC (Non Vessel Operating Container Carrier)

You completely trust our NVO services tailored to certain requirements on timing, cargo size, and equipment. We are not limited to traditional NVO Services by offering a lot of value-added services based on the foundation of advanced supply chain management systems. Our strength as a leading International forwarder enables us to obtain the most competitive rates from leading carriers to & from India.

## • Packaging, Fumigation, Palletization

Our contract packing facility caters to customized packaging, seasonal themes or promotions, Company brand image along with re-labelling, re-packing, private labelling, & a whole range of varied packing options. The palletization services are designed for safe loading and unloading of products. It also involves fumigation of the pallets for pest control, preventing shipment from possible damages. We offer Empty Container Fumigation, Anti Fungal Treatment, Heat Treatment, Vessel Fumigation and Aluminium Phosphate Fumigation, Tobacco Fumigation ect...

## • LCL Consolidation

VASPL provides an import consolidation program for those consignees with multiple suppliers for maximum container utilisation. Our consolidation service offers the advantages of competitive freight rates, reduced risk of pilferage and reduced packing costs.

## • AGRI Food Processing Plant

The VASPL agro processing plant established recently in 2017 is an ISO 9001:2015 compliant , ISO 22000:2005 compliant & FSSAI Licensed certified Plant having grown exponentially in the agro commodities cleaning, grading, polishing, colour sortex, labelling & packaging specifications & requirements. One of the most modern computerised food processing plant in India. The whole production process is in strict conformity with international standards. Vast factory area set up in 11 acres with 2 lac sq. ft. warehousing capacity. In a very short span of time we have gained a reputation for being one of the best, cleanest & most efficient food processing units in Gujarat as per Food standards requirement internationally. Our range of products include rice, wheat, spices, seeds, grains among a host of other products.

## • Port Handling

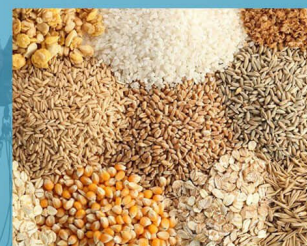

Fastest loading/ unloading of cargo with the most reasonable rates are done safely & regularly. All factors are taken into consideration well in advance like country festive holidays, experienced & timely labour personnel, Government regulatory changes, weather fluctuations etc are factored in & port handling services are prepared well in advance to ensure smooth streamlined services. This is efficiently possible due to our well oiled mechanism of services finely tuned with complete synchronisation.

## • Project Cargo, Heavy Lifts & Project Logistics

VASPL is much capable for managing total logistics solution for handling Project cargo / Heavy Lifts & Projects Logistics which requires experienced / expertise, dedicated and skilled personnel who ensure the safest & most efficient delivery of your cargo & are committed to resolve the problems professionally if arises in extra ordinary circumstances

## • Door To Door Delivery

Our services include Port-to-door and door-to-door service from shipper to consignee. Fast and reliable transit times, including earliest deliveries and latest pickups. Products flow throughout effortlessly eliminating bottlenecks optimizing speed of services.
